

State of Connecticut

GENERAL ASSEMBLY

STATE CAPITOL

HARTFORD, CONNECTICUT 06106-1591

January 25, 2019

To Whom It May Concern:

We have deep respect for Senator Looney and are always open to discussing the difficult issues facing our state, including the issue of regionalization, because finding efficiencies in state spending is a priority for us. However, we cannot support SB 454 to regionalize our schools. Nor can we support SB 431, which includes a property tax increase that would be devastating to residents of Fairfield County. Increasing property taxes only encourages people to leave CT and slows the economic rehabilitation of our state. As members of the Democratic caucus, we're determined to make Connecticut a more affordable state for our constituents to live in.
